Dear Mary,

This letter is in regards to the 11/15/13 compliance check of your Category A, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- ☐ 110.5(1)a Numbers for police, fire, ambulance, poison information posted by phone. (You need to post emergency and parent contact phone numbers near your phone. I suggest using the Phone Numbers sheet I shared with you.)
- ☐ 110.5(1)a Numbers for each child's parent, physician, and a responsible person are accessible by the phone.
- ☐ 110.5(1)e All accessible electrical outlets are safely capped. (You need to install plastic safety locks on any exposed electrical outlets.)
- ☐ 110.5(1)o Nonsmoking signs posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone # for reporting complaints, and [www.iowasmokefreeair.gov](http://www.iowasmokefreeair.gov). (You need to post the two no-smoking signs I shared with you next to the front and back door.)
- ☐ 110.5(1)q All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites. (You need to obtain a copy of your dog's most recent vet check to be kept on file. If it has been more than a year since his last visit, and new appointment must be scheduled.)

**110.5(2) A provider file is maintained and contains:**

- ☐ 110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every two years. (You need to obtain copies of physician signed statements of health for yourself and all household members to be kept on file. These need to be renewed every two years.)
- ☐ 110.5(4) **The certificate of registration is displayed in a conspicuous place.** (You need to display a copy of your certificate of registration.)

110.5(8) **Children's Files**

☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually. (You need to update your children's files to be sure each contains a current physician signed statement of health.)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before** 1/9/14.

☒ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**
